4. Cloud Hosting

Cloud hosting is where the web reporting is hosted by WJPS through their third party hosting provider. Our hosting provider is Redcentric Ltd who are a registered N3/HSCN provider. Therefore the server could access the N3/HSCN. This server would connect to you in house data server where input data would be held. There data we would store would relate to the web interface only, and provide a read-only pass throw to you server for room reporting data.

This is also a good solution if your trust cannot provide the web interface for none NHS customers.

Product	Description	Price per unit
Cloud Hosting Annual Fee	To cover the general maintenance and server support.	£ 5700.00
Cloud Hosting Per Customer Per Annum.	Each customer who needs access (i.e. each organisation who has a web software licence)	£350.00

5. Quote

WJPS can provide a personalised quote based on this information. Please get in touch with sales@wjps.co.uk for this.
